Dear Parents/ Carers

**Re: Y12 Aspire Event  
Higher Education & Apprenticeship  
Information Evening for Parents & Students**

You are warmly invited to attend our Three Spires Sixth Form 'Aspire' event - an information evening for both Year 12 and selected Year 11 students focused on future pathways. The event will take place at 18:00 on Thursday, 13 March 2025 in the Hayward Theatre at our Compton Campus [St Peter's Collegiate Academy]. During the evening, we will explain the process for university applications and how these will be managed within the academies. In addition to this, there will also be presentations from guest speakers on higher level and degree apprenticeships, routes into employment, student finance, and expectations relating to work experience.

During the evening, there will be an opportunity to meet with key members of staff from our sixth form team who will be able to answer questions you may have.

We recognise that taking the 'next steps' whether it be applying to secure a place at university / apprenticeships or entering the employment market for the first time can sometimes feel quite daunting for students and parents. The role of both parents and carers at this time is a significant one and as such, we would encourage all parents and carers to attend to gain a greater understanding of the different options available to students after they have completed their sixth form studies.

To ensure a place is reserved for you at this event, please sign up using the following link by Wednesday, 12 March 2025.

We look forward to seeing you.

Yours faithfully

Mrs. B Beeston

Associate Assistant Principal: Post-16
